

MAUS

Mini MBA

A practical guide to business management

"Brilliant! An excellent resource and a great way to train my staff"

Chris Lemoy
Managing Director, CC Chat

Want to increase your management skills and develop your career? Ever considered joining a MBA program but wanted something more practical? At the fraction of the time and cost of a typical MBA, MAUS Mini MBA provides you with an exciting opportunity. Not only will this easy to understand guide present you with a practical know-how of important management concepts but it will also provide you with the tools to achieve a Diploma in Management - BSB51107 or Certificate IV in Frontline Management - BSB40807

MAUS Mini MBA provides you with a comprehensive range of tools created to assist you in succeeding in today's challenging business environment. This nationally recognised training program has been tailored to the current needs of business owners and managers. By covering nine relevant business topics the guide illustrates relevant major concepts from business theory and applies them to practical and easy to follow

Each topic includes information, resources, templates, videos, quizzes, interactive presentations, calculators, real life examples and diagnostics. Once the topics have been covered the program becomes a useful long term resource by providing practical 'fill in the blank' templates for suitable use within actual business situations.

MAUS Mini MBA is an effective training tool. Used as a training program, it will save you time and money and help to increase employee productivity, motivation, morale and retention.

MAUS Mini MBA gives you jargon free interactive learning. Users of the program will learn how to increase profit, manage staff more effectively, provide improved customer service, think innovatively, become aware of risk, conduct more effective marketing activities, plan for exit and succession and much more.
